

## REMARKS

### I. Status of the Claims:

Claims 1-13, 16-18, 22-32, 35-37, 39-51, 54-56, 58-65, and 67-72 have been rejected under 35 USC 112, first paragraph as failing to comply with the written description requirement.

Claims 1-6, 9-12, 16-18, 20-25, 28-31, 35-37, 39-44, 47-50, 54-56, and 58-72, have been rejected under 35 USC 102 (e) as anticipated by Ghosh et al of record.

Claims 7, 8, 13, 26, 27, 32, 45, 46, and 51 have been rejected as unpatentable over Ghosh et al of record.

Applicant responds to the indicated rejections, as follows:

### II. Rejection under 35 USC 112, first paragraph:

Applicant has amended claims 1, 2, 20, 21, 39, and 40 to remove the recitation of the feature “internally generated.”

The amendments of claims 1, 2, 20, 21, 39, and 40 are believed to overcome the rejection under 35 USC 112, first paragraph. Withdrawal of the rejection is respectfully requested.

### III. Rejection under 35 USC 102(e):

Independent Claims 1, 20, and 39 have been rejected on Ghosh et al, of record.

Ghosh et al describes a system and method for managing licensing information based on (i) a source of licensing requirements information, (ii) a license database of license information and (iii) a processor operable to modify license information in the database and retrieve information from the database according to criteria. Ghosh tracks external training of professional employees as described in Paragraphs 008, 0012 and 0071

In contrast, applicant discloses a method, a system and a program product for entities in managing, distributing, tracking and training of users, typically licensed professional based provided training information. In addition, the users are also provided with a list of reference resource types, wherein each listed reference resource type is associated with a link that when selected leads to a segment of information pertaining to the reference resource type. The reference resource types are described in applicant's specification beginning at page 29 and shown in Figure 16.

Claims 1, 20, and 39 have been amended to recite "providing a list of reference resource types, wherein each listed reference resource type is associated with a link that when selected leads to a segment of information pertaining to the reference resource type."

Applicant submits Claim 1, 20, 39 and 54 define subject matter not disclosed or suggested in Ghosh. The rejection of claims 1, 20, 39, and 54 based on Ghosh is without support in the cited art. Withdrawal of the rejection and allowance of Claims 1, 20, 39, and 54 are requested

Claims 2, 21 and 40 have been amended to further describe claims 1, 20 and 39

#### IV. Rejection under 35 USC 103 (a)

Claims 7, 8, 13, 26, 27, 45, 46 and 51 depend from associated independent claims and are patentable on the same basis as the independent claim from which they depend.

### **Conclusion**

In view of the amendment of independent claims 1, 20, 1, 20, and 39 to define subject not disclosed or suggested the cited reference, applicant submits the Examiner's rejections to the claims are believed to be overcome. The Applicants respectfully request reconsideration and issuance of a Notice of Allowance for all the claims remaining in the application. Should the Examiner feel further communication would facilitate prosecution, he is urged to call the undersigned at the phone number provided below.

### **Additional Fees**

A Petition for Extension of Time and fee is submitted concurrently herewith extending the time period for response three months to and including May 24, 2010. A Request for Continued Examination and fee is also submitted concurrently herewith. The Commissioner is hereby authorized to charge any insufficient fees or credit any overpayment associated with this application to Deposit Account No. 50-4545 (5338-002-US01).

Respectfully Submitted,
